To Whom It May Concern:

I urge the FCC to grant the Kristin Brooks Hope Center Application for Review and return the toll free hotline numbers to KBHC promptly. If necessary to accomplish that, I support a temporary extension of the 12 month temporary re-assignment.

I have found their work to be admirable, thorough and necessary. Taking away their right to serve the public is no less of a breach of the public trust as silencing free speech itself.

Most Sincerely,
Gregory Andres
